That Tired Feeling

The warm weather has a debilitating effect, especially upon those who are within doors most of the time. The peculiar, yet common, complaint known as "that tired feeling," which is the result of a weak system, is overcome by taking Hood's Sarsaparilla, which gives new life and strength to all the functions of the body.

"I could not sleep; had no appetite. I took Hood's Sarsaparilla and soon began to sleep soundly; could get up without tired and languid feeling; and my appetite improved." (W. A. SAMPSON, Kent, Ohio.)

Strengthen the System. Hood's Sarsaparilla is characterized by three peculiarities: 1st, the combination of the most powerful purgative, 2d, the proportion, 3d, the purity of the ingredients.

Hood's Sarsaparilla is sold by all druggists. Sent by mail on receipt of \$1.00. 100 Doses One Dollar.
